

Acknowledgements

Prague Days Chicago would not be possible without the help of many friends of the Czech Republic in Chicago, including many Czechs and Czech-Americans. Please allow us to express our deep gratitude to them as well as to those who helped make the festival happen from Prague. They all dedicated days and nights to the project. We wish to apologize to those who are not listed. We are aware that many of them contributed greatly to the festival as well. We deeply appreciate their support.
